

Shraddha khatwani

Graphic Designer & web developer

About Me

Having a proven track record in developing high-performance, scalable web services. I'm eager to bring my strong problem-solving skills and commitment to customer service excellence to a forward-thinking development team.

As a graphic designer, I am a creative problem solver with a passion for creating visually appealing design that communicates a message effectively.

Work Experience

Web Developer (Fresher)

- "Enthusiastic and detail-oriented Web Developer with a strong foundation in front-end and back-end technologies. Passionate about creating responsive, user-friendly websites using HTML, CSS, php, JavaScript, and React. Quick learner with excellent problem-solving skills, eager to apply knowledge and collaborate on innovative projects."
